Mrs. Bryant's Class  
3-5-10

Dear Parents,

Our theme this week was Dr. Seuss. We read a lot of Dr. Seuss books and listened for the rhyming words in his books. We made Green Eggs and Ham and all of us had the chance to try it. Most of us liked it just as much as regular eggs and ham☺ We made a class book about Green Eggs and Ham and rhyming. We studied 3-d shapes and reviewed shape names.
