

PARENT'S OR GUARDIAN'S AGREEMENT OF ACCEPTABLE USE AND INTERNET SAFETY POLICY

As the parent/guardian, I have read and agree that my child or ward shall comply with the terms of the Genoa Area Local School District's Acceptable Use and Internet Safety Policy for student's access to the School District's computer network and the Internet. I understand that access is being provided to students for educational purposes only. However, I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for bidding by the Policy. I am therefore signing this agreement and agree to indemnify and hold harmless the school, School District, and the Information Technology Center that provides the opportunity to the School District for computer network and Internet access against all claims, losses, and costs of whatever kind that may result from my child's or ward's use of his/her access to such networks or his/her violation of the Acceptable Use and Internet Safety Policy. Further, I accept full responsibility for supervision of my child's or ward's use of his/her access account if and when such address is not in the school setting. I hereby give permission for my child or ward to use the building-approved account to access the School District's computer

As a Parent/Guardian/Student I acknowledge that I have read the above agreements and waivers and shall agree to abide by the rules of the Genoa Area Local School District. If I do not agree with any one or all of the above agreement/waivers, I will notify the Genoa Area Local School District in writing. I therefore apply my signatures below.
